Engaging the Next Generation of Coders With Los Angeles County's first-ever Hack Day

WHEN: Saturday, October 24, 2015, 9am-6pm

WHAT: Supervisor Mark Ridley-Thomas will host [South LA Hack Day](#) to engage, educate and empower about 100 young boys and girls of color to break into the field of Information Technology.

Tech giants such as Microsoft, IDEO, CGI and NeoGov will lead a series of workshops about how to mine Open Data to develop software applications and how to launch a young coder's career in Information Technology. They will also solicit ideas for revolutionizing Los Angeles County's voting system, as well as other innovations.

WHO: Supervisor Mark Ridley-Thomas
LA County Registrar-Recorder/County Clerk,
Public Library and Department of Human Resources.
Microsoft, IDEO, CGI and NeoGov Urban TxT,
Girl Code LA and Digital LA

WHERE: Lennox Library and Constituent Services Center
4359 Lennox Blvd, Lennox, CA 90304

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner. For more information, visit www.lavote.net.
